

ROOM FOR DOUBT

Is the Bible Reliable?

May 9, 2021

Doubt is a **natural** part of life and a **natural** part of faith.

Mark 9:24

Immediately the boy's father exclaimed, "I do believe; help me overcome my unbelief!"

We are considering five fundamental questions with which people struggle.

Today: Is the Bible **reliable**?

The simple answer: **Yes**.

1. **Jesus** believed it.
2. The **early Church** believed it.

Acts 17:11

Now the Berean Jews were of more noble character than those in Thessalonica, for they received the message with great eagerness and examined the Scriptures every day to see if what Paul said was true.

3. **My mom** believed it.

1 Corinthians 11:23a

For I received from the Lord what I also passed on to you ...

Since the Bible is a reliable source of God's **word and will**, we need **to be in it**.
