

AT FAIRMOUNT CHRISTIAN CHURCH

In this “Year of Jesus”, on Sunday mornings, our preachers have been delving into the life and ministry of our Lord – starting from the very opening pages of the Bible. Beginning on August 25 – following up on our summer series on Jesus’ teaching in the Sermon on the Mount – we’ll spend a few weeks talking about the truly unique, countercultural approach to life and ministry that Jesus not only taught but demonstrated.

Jesus was a true “Renegade”, going beyond the comfortable margins of society and rising above the status quo to impact people’s lives for eternity. Whether touching a leper, or crossing the Sea of Galilee to save one man, or forgiving the Roman soldiers pounding nails into His hands and feet, Jesus did the wildly unexpected – He acted totally opposite of how the world (and many of us) would act.

Be sure to be in worship this month. Be challenged to get out of your comfort zone and see people like Jesus did – love people like Jesus did – and help bring life to people like Jesus did.

Have you visited our new **Family Resource Center**? Be sure to take a stroll down the hallway just past Children’s Check-In to take a look our exciting variety of Bibles, books, studies, & informational brochures to support your family as you grow together spiritually.
