

# The FORECASTER

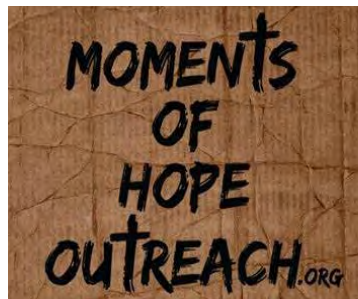

AT FAIRMOUNT CHRISTIAN CHURCH

## Impact Edition

The mission of Fairmount Christian Church is to love God, love people, and make disciples. One of the ways we accomplish our mission is through serving! *Let your light shine before others, so they may see your good works and give glory to your Father who is in Heaven - Matthew 5:16.* We are thrilled to share the many ways we have recently been showing the love of Christ to our neighbors locally and across the globe!

On our September 21st Impact Day, volunteers helped church families with projects around their homes.

On the fourth Saturday of each month, we prepare and serve meals to hundreds of our neighbors in the city of Richmond. In November, we will be collaborating with other local churches to serve a Thanksgiving meal in addition to our monthly lunch.

On September 28th, over 200 volunteers gathered in the gym to assemble and pack 100,000 meal packages to send to underdeveloped areas in the Caribbean.

On October 26th, we enjoyed a benefit concert for IDES hurricane relief. A great night of heartfelt worship and giving! We collected **\$10,174** in concert donations for a total of **\$39,399** to send to IDES!

Several groups have already been busy preparing and packing items for Operation Christmas Child.

# MISSIONARY SPOTLIGHT

## Poland Mission Trip Recap

In July, Fairmount sent a team of 10 to work with our partners in Poland. One portion of the team, led by Chris Santasiere, traveled to Dzialdowo. There, the team helped lead the church's Kids Club (VBS) and taught English lessons. The second half of the team, led by Chuck Rogers, traveled to Lublin. In Lublin, they did activities with the children and assisted the church in its continued effort to serve Ukrainian refugees.

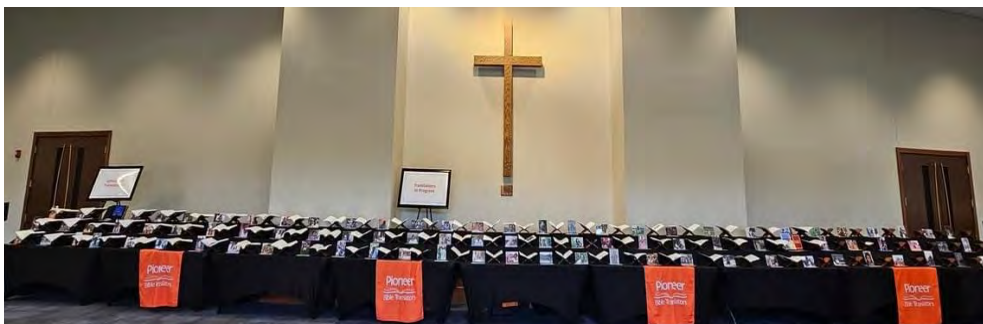

## Silva/Trusty Update

We are excited to share that Diego and Claudia Silva will be moving to New Zealand on November 26th to work with our IMPACT partners Michael and Rosalind Trusty with Current Church. The Silvas will serve on staff with the Trustys and help with the outreach of the large international population there, specifically the Brazilian population. The Silvas need additional financial support. If you are interested in partnering with the Silvas financially, you can do so through HEART. Visit [heartministry.net](http://heartministry.net), click **Donate** and find the **Silva's in New Zealand** from the drop down list.

The goal of PBT isn't just translation, but transformation. They bring the world's least-reached people to Jesus through Bible translation and church planting, combined with discipleship, ministry, and the use of translated scripture. In September, we were blessed with an impressive display of over 70 translated Bibles and a visit from Brenda Webb and her colleague Philemon from the Democratic Republic of the Congo. Because of PBT, Philemon can now preach from scripture in the Kinyamulenge language.

## IMPACT EDITION
